College Exposure

ECNL National Events are currently the top college recruiting Showcases available for our U17 and U18/19 players who are seeking college soccer opportunities.

As the ECNL RL grows, we believe that the RL National Events will provide streamlined and appropriate college recruiting opportunities for our second team players who are seeking college soccer opportunities.

Our coaching staff will work closely with our Boys Director, Biniam Afenigus, and our College Coordinator, Maddy Wright, to meet the specific needs of our players who seek college soccer opportunities.
