Columbia Premier SC Announces Madeline Barbarino-Wright as Girls Director

Columbia Premier Soccer Club is proud to announce the appointment of **Maddy Barbarino-Wright** as the club's new **Girls Director**, overseeing all Academy-level girls programming (U13–U19)!

Maddy brings a wealth of experience as a coach, administrator, and leader within the club and across the regional soccer landscape. She currently serves as Columbia Premier SC's Assistant Technical Director and previously led the club's college pathway as College Coordinator, where she helped guide a record-setting 32 college commitments in a single year. Her work has consistently focused on player development, coach mentorship, and building strong, values-driven environments for young athletes. Maddy also recently completed her USSF A-Senior License and is now the fourth director with an A License at Columbia Premier SC.

In addition to her club experience, Maddy is the Head Coach of the Clark College women's soccer program, where she has led the program to competitive success, including the most wins in a single season, conference honors, and multiple NWAC playoff runs. She also brings experience at the pre-professional and Olympic Development Program levels, as well as a background in athletic administration and student-athlete support.

As Girls Director, Barbarino-Wright will oversee all Academy-level girls teams and coaches, lead long-term program strategy, support coach development, and steward a clear and connected pathway for girls at Columbia Premier SC.

"I'm incredibly grateful for the opportunity to serve as Girls Director at Columbia Premier," said Barbarino-Wright. "This club means a great deal to me, and I care deeply about the players, families, and coaches who make it what it is. My vision is to build a girls program rooted in sisterhood—where every player, at every level, feels valued, supported, and proud to belong. I'm excited to continue this work together as one community."

Columbia Premier SC Technical Director Robin Bostwick added, "Our recruitment and hiring process for the Girls Director position led us to an incredible hire for our club. Maddy has been a positive presence for our club since my first few months at Columbia Premier and it has been a privilege to be a part of her development as a soccer professional and leader for the last seven years. I am proud to say that we found the right person to lead our program forward right here at home!"

Maddy will begin her role immediately.
